REQUEST TO TRANSFER SEQUENCE LISTING
FROM RELATED APPLICATIONS

MS Patent Application
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Applicants request that the Sequence Listing in both computer readable form (CRF) and paper copy from U.S. Application Serial Nos. 10/288,340 and 09/623,548 be transferred to the attached new U.S. Continuation Patent Application.

Applicants assert that the present application is a continuation of U.S. Application Serial Nos. 10/288,340 and 09/623,548 so the transfer is appropriate.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Assistant Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 500862001602. However, the Assistant Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: November 25, 2003
